### Hormones And Contraception Part 1

===== This is the first part of the play "Hormones and Contraception" by Anonymous Performer. Scenario: You need to understand how sex works. You want to have a friend that's into sex and medicine. In order to do that, you have to understand how sex works, how hormones work and you have to understand drugs that prevent fertilization. Who would like to learn more about the world of hormones? ===== IMPORTANT: ===== If you want to be able to play this role, be sure to master the following: - Conversational English (because you will record conversations), - A good sense of timing (because you will record a conversation in real time and have to understand how to flow with the conversational rules of the situation), - A basic sense of rhythm (because you will record the speed of the conversation), - And finally, a basic understanding of grammar (because you will record, in most cases, sentences and/or idioms). - Confident in what you're saying If any of these are not your strengths, we'd love to have you as part of our project. - A sense of humor - And a willingness to deal with surprises If you meet the above qualifications, this role will suit you. You will record the following: Introduction of you and a friend who's into sex and medicine, explanation on how to do drugs that prevent fertilization, description on how it works and do drugs that prevent conception. A conversation with questions and responses. Notes: ===== You may also want to review our medium sized role, "Empathetic Child", which does a great job of presenting role playing in a subtler manner and can be a good summary of the rules for people who are interested in playing this particular role. This role can be downloaded here: Can you create the original (with the permission of the artist), without any changes, as many times as you want? I can edit them, create the OWN version or do it all (i.e., the REFUND) but it would be great if you could do it yourself. The licence you will receive has absolutely no conditions. The only thing you'll have to do is to give the original version of your piece to me in good quality, once you have the rights to it (after you 09e8f5149f
