## Pendulum Divination E-book Crack +

Questioning your Spirit or Higher Self is, without a doubt, an important step in investigating your life and determining what needs to be done. Most of us will ask some questions to get a clearer understanding of the issues we face and how we can best navigate through life. Many of these questions come from our own experience, our intuition and our hopes and fears. This is a very important stage in any spiritual progression and learning process. In PENDULUM DIVINATION, an E-book presented as a guide and companion through the various stages of spiritual growth, questions are collected from the awakened community, and are presented in a structured manner through the use of the reader's Pendulum. Each question is compiled in response to a particular one of the energetic themes that exist in the spiritual community. Each question is answered using the reader's own determined pendulum response, as a tool that is easy to use and understand. Although the reader's mission is to inquire within their own depth of self to the answer, the material in this E-book is intended to guide the student in their journey of discovery and spiritual learning. The tools outlined in PENDULUM DIVINATION are used to help you: \* Understand your spiritual challenges and obstacles \* Know what is the best approach to each problem \* Make decisions with greater ease and clarity \* Become more intuitive and flexible \* Make important decisions with greater ease and clarity \* Become more intuitive and flexible \* Make important decisions with greater success in all aspects of life \* Identify and make spiritual propressor problem \* Make decisions with greater ease, and clarity \* Become more intuitive and flexible \* Make important decisions with greater ease and clarity \* Become more intuitive and flexible \* Make important decisions with greater ease and clarity \* Become more intuitive and flexible \* Make important decisions with greater ease and clarity \* Become more intuitive and flexible \* Make important decisions with greater ease and clarity \* Be
