He soon discovered that this creature, the first of its kind, belonged to a magical kingdom called: Unicorn Kingdom. The King and Queen were happily marvelling at the magnifique creature's beauty, but their day couldn't be complete without having guests. A fairy princess, Emerald Beauty, was about to get married, and the King wished to invite her family, the royal dragon pack and a few of the princess' closest friends. The boy has decided to go to Unicorn Kingdom, to be the King's personal representative while the King is not present. He'll stay at the castle and give advice to the King and queen about the princess' upcoming wedding, as well as help with the arrangements. While the boy is away, he'll share his happiness with his friends on Facebook, who will have to compete with the dragon pack for the princess' attention in order to win her hand in marriage. Welcome to Unicorn Zoo! The King & Queen have just announced c9d1549cdd

The LC Team Highlights in this update: - More content! - New characters! - New stories! - New monsters! - More features! - Much more! Happy Harvesting! Nintendo Switch™ / New Nintendo 3DS™ May 24th, 2017 Hello, every Nintendo Switch and New Nintendo 3DS owners! We know that we haven't been able to do more updates for a while. We would like to apologize for that. But the reason is simple: We are currently having a lot of issues with the Digital Content Release process. We are trying our best to solve these problems and get back to release more content for you. That also means that we can't release new games and DLCs from now on. Sorry, but we need some time to fix these issues and solve them. Bio-Tree is a game that we made in order to support the developer because he is a developer who always makes games that are great. Bio-Tree is his second title. You can see that the game will soon be complete. So, we apologize for not being able to release Bio-Tree and other games. We will hopefully release more content for you soon. As always, thank you for supporting us. The LC Team
